1. **Communication *re* EUR 45,000,000.00 private equity placement issued on 29 June 2017 with maturity date on 29 June 2022**

On 12 May 2021, the regulated real estate company Leasinvest Real Estate Comm.VA (**Leasinvest**) announced its intention to become an integrated real estate group through an envisaged business combination with Extensa Group NV and by giving up its BE-REIT status (the **Transaction**).[1] On 19 July 2021 the extraordinary general meeting of Leasinvest (the **EGM**) will, amongst other things, decide on the contribution in kind by Ackermans & van Haaren NV of 100% of the shares of Extensa Group NV in Leasinvest[2]. If the EGM approves the Transaction, Extensa Group NV will become a wholly owned subsidiary of Leasinvest, which in turn is a subsidiary of Ackermans & van Haaren NV (after completion of the Transaction, Ackermans & van Haaren NV will hold 58.53% of the shares in Leasinvest).

We wish to inform you, as a holder of the Euro Medium Term Notes issued by Extensa Group NV on 29 June 2017 (the **Notes**), that the Transaction has no impact on the Notes, as Extensa Group NV remains (indirectly) controlled by Ackermans & Van Haaren NV and will continue to operate its business in a manner consistent with past practices and as set out in the terms and conditions of the Notes.

For more information on the Transaction, reference is made to the Explanatory Note, available at the website of Leasinvest (https://leasinvest.be/en/investor-relations/general-meetings/) where all other documents that are submitted to the EGM are available as well.

We remain at the disposal of the holders of Notes to answer any questions you may have concerning the Transaction and we are excited to continue the excellent relation with all our stakeholders, including the holders of Notes in the new structure as subsidiary of Leasinvest.
